**Garfield County Ready to Open Local Economy**

**PANGUITCH, Utah (April 29, 2020)** – As the State of Utah moves from the red phase (high risk) to the orange phase (moderate risk), Garfield County, Utah is following the State health guidelines to reopen the local economy, effective May 1, 2020. Before opening to the public, Garfield County businesses shall ensure all phased guidelines established in the Utah Leads Together 2.0 Plan are followed. The full guidelines can be found on Garfield County's website, [garfield.utah.gov](http://garfield.utah.gov).
