GARFIELD COUNTY, UTAH
MOBILE HOME & RECREATIONAL COACH ORDINANCE
NO. 2019-7

AN ORDINANCE REGULATING THE LOCATION, INSTALLATION, AND USE OF MOBILE HOMES AND RECREATIONAL COACHES IN GARFIELD COUNTY, UTAH.

Be it ordained by the Board of Commissioners of Garfield County, Utah as follows:

Chapter 1. GENERAL PROVISIONS

1-1 Interpretation and Purpose.

The interpretation, application and provisions of this Ordinance shall be held to be the minimum regulations required for the protection or preservation of public health, safety and welfare. To protect the public, among other purposes, such provisions are intended to provide for permanently wholesome community environments, adequate facilities, adequate services, and safety of its citizens.

1-2 Intent.

1. To permit variety and flexibility in land development for residential purposes by allowing the use of mobile homes and recreational coaches in certain districts within Garfield County.
2. To require that mobile home and recreational coach developments will be of such character as to promote the objectives and purposes of the Garfield County Zoning Ordinance; to protect the integrity and characteristics of the districts contiguous to those in which mobile home parks and recreational coach parks are located; and to protect other land use values contiguous to or near mobile home or recreational coach developments.

1-3 Definitions.

Unless context requires otherwise, the following definitions shall be used in the interpretation and construction of this Ordinance. Words used in present tense include the future; singular number shall include the plural, and the plural the singular; the word "building" shall include the word "structure"; the words "used" or "occupied" shall include arranged, designed, constructed, altered, converted, rented, leased, or intended to be used or occupied; the word "shall" is mandatory and not directory, and the word "may" is permissive; the word "person" includes a firm, association, organization, partnership, trust, company, or corporation, as well as an individual; the word "lot" includes the words plot or parcel. Words used in this Ordinance but not defined herein shall have the meaning as defined in any other ordinance adopted by the Garfield County Commission.

1. **Accessory Use or Building:** A use or building on the same lot with, and of a nature customarily incidental to and subordinate to, the principal use of building.
2. **Awning:** Any shade structure or approved material installed, erected or used adjoining or adjacent to a mobile home.
3. **Building:** Any structure built for the support, shelter, or enclosure of persons, animals, chattels, or moveable property of any kind and includes any structure.
4. **Building Official:** The official designated by the County Commission as the Inspector for Garfield County.
5. **Camper:** See "Recreational Coach".
6. **Developer:** An individual, firm, corporation, partnership, subdivider or association who designs or builds a mobile home park, mobile home subdivision or recreational coach park.
7. **Dwelling:** Any building, structure or a portion thereof, occupied or intended as a residence or sleeping place of one or more persons or families with cooking or bathroom facilities, but not including hotel, motel, lodge, or nursing home rooms.
8. **Foundation, Permanent:** The portion of a building or structure which rests on the earth as a concrete foundation. The foundation includes concrete footings capable of distributing the weight of a building or structure evenly in relationship to the supporting characteristics of the soil.
9. **Garage, Private:** A detached accessory building, or a portion of a main building, used for the storage of motor vehicles for the tenants or occupants of a specific building and not by the general public.
10. **General Plan:** The Garfield County Master Plan, General Plan, Resource Management Plan, or other plans, policies and programs adopted by Garfield County.
11. **License:** A written license issued by Garfield County and approved by the local Building Official, allowing a person to operate and maintain a mobile home park or recreational coach park under the provisions of this Ordinance and regulations here issued.
12. **Lot:** A parcel or unit of land describable whether by metes and bounds, or by other legal plat designation held, or intended to be held in separate ownership or leasehold, or a parcel or unit of land shown as a lot or parcel on a recorded subdivision map, or shown on a plat used in the lease or sale or offer of lease or sale of land resulting from the division or a larger tract into smaller units.

AGREEMENT

This Agreement is made by and between _____
(hereafter "developer") and Garfield County.

Developer hereby acknowledges receipt of a copy of the Garfield County Mobile Home & Recreational Coach Ordinance. Developer hereby acknowledges that he or she has read the Garfield County Mobile Home & Recreational Coach Ordinance and that he or she will fully and completely comply with the provisions and requirements therein contained.

Dated this _____ day of _____, 20_____.

Developer

4-3 Fees.

The applicant for approval of plans for a mobile home park, recreational coach park, or a mobile home subdivision shall pay a checking fee to the Building Official at the time of application, in addition to building, plumbing, and electrical permits, or any other required license, or other fee. The checking fee shall be based upon the area of the property included in the plan. The fees shall be set by the Garfield County Commission.

4-4 Approval.

Applications for approval shall be in writing, submitted to the Garfield County Planning Commission at its regular meeting and shall be granted or denied within forty-five (45) days, unless an extension of such time is approved by the Garfield County Planning Commission. An application denied by the Planning Commission may be appealed to the Garfield County Commission which appeal must be made in writing within sixty (60) days after the denial by the Planning Commission.

Chapter 5. STANDARDS AND REQUIREMENTS

5-1 Planning Commission Review.

For all mobile home parks, recreational coach parks, and mobile home subdivisions, the Garfield County Planning Commission shall review the proposed development plan to determine its compliance with all the portions of the Garfield County Master Plan and Ordinances, and, among other things shall make sure that such environment of sustained development will constitute a residential desirability and suitability and that it will not adversely affect amenities in the surrounding area. Standards higher than the Ordinance may be required if minimum standards contained in this necessary for local conditions of health, safety, and protection of property, and to ensure that the development will mix harmoniously with contiguous or nearby existing and planned uses.

5-2 Mobile Home Park Standards and Requirements.

The development of a mobile home park shall conform to the following standards and requirements, unless modified by an approved Planned Development plan:

1. All mobile home parks shall be connected to Utah State Department of Health and/or Local Health Authority approved water and waste disposal systems.
2. All mobile home parks within one (1) mile of any city limit shall require approval from said municipality in conjunction with approval from the Garfield County Commission.
3. The area shall be one (1) ownership, or if in several, the application for approval of the development shall be filed jointly by all owners of the property included in the plan.
4. Prior to a formal application for a mobile home park, all applicants shall first have a preapplication meeting with the Garfield County Planning Commission.

5. The plans for a mobile home park shall be prepared or approved by a licensed architect or licensed engineer. In all cases it is recommended that professional design and other assistance be obtained early in the program. It is the intent of Garfield County that the developer solves his or her problem before approval is given and construction begins.
6. In all mobile home parks, a strip of land at least fifteen (15) feet wide surrounding the entire park shall be left unoccupied by mobile homes and shall be properly landscaped to conform to the surrounding area. All other areas not hard-surfaced or in buildings shall be landscaped.
7. Storm drainage facilities shall be so constructed as to protect residents of the development as well as adjacent property owners. Such facilities shall be of sufficient capacity to ensure rapid drainage and prevent the accumulation of stagnant pools of water in or adjacent to the development.
8. All storage and solid waste receptacles outside the confines of any mobile home must be constructed and maintained in an orderly manner by the park owner.
9. All patios, carports, garages, and other add-ons shall be constructed in accordance with standard commercial practice and shall be governed by the mobile home park restrictive covenants.
10. All mobile homes shall be skirted within forty-five (45) days of occupancy and shall be governed by the mobile home park restrictive covenants.
11. The owner of the mobile home park shall provide adequate street lighting.
12. In mobile home parks, all off-street parking spaces and driveways shall be hard-surfaced or have a six (6) inch gravel base before the adjacent mobile home spaces may be occupied.
13. In mobile home parks, the roadways shall be designed to accommodate anticipated traffic, including the following standards, unless modified by an approved Planned Unit Development plan:
 - a. Road Width: A minimum of thirty (30) feet.
 - b. Entrance Roadways: A minimum of thirty-six (36) feet in width.
 - c. Roadways: All roadways shall be hard-surfaced or have a six (6) inch gravel base and shall be properly drained.
 - d. Sidewalks: Forty-eight (48) inch minimum width sidewalks shall be installed on all main roadways within the development. All sidewalks shall be hard-surfaced.
 - e. Access: Each mobile home park shall have at least two (2) accesses to public streets.

14. In a mobile home park, the number of mobile homes shall be limited to seven (7) units per acre and may be limited to fewer units, depending on mobile home size, topography, and other factors of the particular site. The mobile homes may be clustered, provided that the total number of units does not exceed the number permitted on one (1) acre, multiplied by the number of acres in the development. The remaining land not contained in individual lots, roads, or parking shall be set aside and developed as parks, playgrounds, and service areas for the common use and enjoyment of occupants of the development, and visitors thereto.
15. In a mobile home park, no home or add-on shall be located closer than twenty (20) feet from the nearest portion of homes and add-ons shall be set any other home or add-on. All such back at least ten (10) feet from road curbs or walks. If the mobile home tongue remains attached, it shall be set back a minimum of six (6) feet from road curbs or walks. All mobile homes shall be set back at least fifteen (15) feet from any boundary of the mobile home park.
16. Off-street parking shall be provided at the rate of two (2) parking spaces per mobile home space, and each such parking space shall have a minimum of ten (10) feet and minimum depth of twenty (20) feet. In no case shall the parking space be located further then one hundred (100) feet from the mobile home space it is designed to serve.
17. The mobile home park restrictive covenants shall provide for no on street parking.
18. One (1) story bulk storage areas shall be provided within a mobile home park, equivalent to sixty (60) square feet per mobile home space. The area designated for said bulk storage shall be improved, landscaped and maintained in an appropriate manner by the owner of the mobile home park.
19. A launderette for convenience of park occupants, but not for the general public, may be included in mobile home parks.
20. In a mobile home park, access shall be provided to each mobile home stand for maneuvering mobile homes into position. The access way shall be kept free from trees and other immovable obstructions. Paving under mobile homes will not be required if adequate support is provided as required by State regulations. Use of planks, steel mats, or other means to support the mobile home during placement shall be allowed so long as the same are removed upon completion of placement.
21. No mobile home park in Garfield County shall be allowed in an obvious flood or geological hazardous area.

5-3 Recreational Coach Standards and Requirements.

The development of a recreational coach park shall conform to the following standards and requirements, unless modified by an approved Planned Unit Development plan.

1. All recreational coach parks shall be connected to Utah State Department of Health and/or Local Health Authority approved water and waste disposal systems.
2. All recreational coach parks located within one (1) 14 mile of any municipality shall require approval from said municipality in conjunction with approval from the Garfield County Commission.
3. The area shall be one (1) ownership, or if in several, the application for approval of the development shall be filed jointly by all owners of the property included in the plan.
4. Prior to a formal application for a recreational coach park all applicants shall first have a preapplication meeting with the Garfield County Planning Commission.
5. Recreational coach parks shall generally be located:
 - a. Adjacent to or in close proximity to a major traffic artery or highway.
 - b. Adjacent to a mobile home park.
6. Recreational coach parks shall contain no more than fifteen (15) units per acre. The spaces may be clustered, provided that the total number of units does not exceed the number permitted on one (1) acre, multiplied by the number of acres in the development. The remaining land not contained in individual recreational coach spaces, roads, paving, shall be set aside and developed as park, playground, or service areas for the common use and enjoyment of occupants of the park and visitors thereto.
7. The plans for a recreational coach park shall be prepared or approved by a licensed architect or licensed engineer. In all cases, it is recommended that professional design and other assistance be obtained early in the program. It is the intent of Garfield County that the developer solves his or her problems before approval is given and construction begins.
8. In all mobile recreational coach parks, a strip of land at least fifteen (15) feet wide surrounding the entire recreational coach park shall be left unoccupied by recreational coaches, and shall be properly landscaped to conform to the surrounding area. All other areas not hard-surfaced or in building shall be landscaped.
9. The owner of the recreational coach park shall provide adequate street lighting.
10. In recreational coach parks, all off-street parking spaces and driveways shall be hard-surfaced or have a six (6) inch gravel base before the adjacent recreational coach space may be occupied.

11. In recreational coach parks, the roadways shall be designed to accommodate anticipated traffic, including the
 - a. Road Width: A minimum of twenty-two (22) feet.
 - b. Entrance Roadways: A minimum of thirty-six (36) feet in width shall be required. Such entrance shall be approved by the Garfield County Planning Commission.
 - c. Roadways: All roadways shall be hard-surfaced or have a six (6) inch gravel base and shall be properly drained.
 - d. Access: In addition to the Recreation Coach Park entrance roadway, an approved emergency access road shall be approved by the Garfield County Planning Commission.
12. Storm drainage facilities shall be so constructed as to protect visitors to the recreational coach park as well as adjacent property owners. Such facilities shall be of sufficient capacity to ensure rapid drainage and prevent the accumulation of stagnant pools of water in or adjacent to the development and shall be connected to the municipal storm drainage facilities if available.
13. All storage and solid waste receptacles outside the confines of any recreational coach park must be constructed and maintained in an orderly manner by the park owner.
14. No recreational coach park in Garfield County shall be allowed in an obvious flood or geological hazardous area.
15. All recreational coach parks shall provide shower and bathroom facilities for tent campers and units which are not self-contained.
16. Dump stations shall be required at all recreational coach parks for self-contained units.
17. Recreational coach parks shall meet all requirements of the State of Utah Recreational Vehicle Park Sanitation Regulations and Mobile Home Park Sanitation Regulations, which are intended to apply to trailer, camper, and tent camps as defined in such regulations.

5-4 Mobile Home Subdivisions.

The development of a mobile home subdivision shall conform to the following standards and requirements, unless modified by an approved Planned Unit Development plan.

1. All mobile home subdivision shall be connected to a Utah State Department of Health and/or Local Health Authority approved water and waste disposal system.
2. All mobile home subdivisions located within one (1) mile of any municipality shall seek approval from said municipality in conjunction with the approval from the Garfield County Commission.
3. The area shall be in one (1) ownership, or if in several, the application for approval of the development shall be filed jointly by all owners of the property included in the plan.

4. The plans for a mobile home subdivision shall be prepared or approved by a licensed architect or licensed engineer. In all cases, it is recommended that professional design and other assistance be obtained early in the program. It is the intent of Garfield County that the developer solves his or her problems before approval is given and construction begins.
5. In all mobile home subdivisions, a strip of land at least fifteen (15) feet wide surrounding the subdivision shall be left unoccupied by mobile homes and be landscaped and maintained in an orderly manner.
6. Storm drainage facilities shall be so constructed as to protect residents of the development as well as adjacent property owner. Such facilities must be of sufficient capacity to ensure rapid drainage and prevent the accumulation of stagnant pools of water in or adjacent to the development and shall be connected to the municipal storm drainage system if available.
7. All storage and solid waste receptacles outside the confines of any mobile home must be constructed and maintained in an orderly manner by the owner.
8. The Garfield County Planning Commission requires a security compound for the storage of vehicles, boats, and other large items, to be provided equivalent to a minimum of three hundred (300) square feet of paved or graveled area per mobile home lot, to be maintained by a home owner's association in the mobile home subdivision.
9. In all mobile home subdivisions, within forty-five days of occupancy, each mobile home shall be skirted.
10. In mobile home subdivisions roadway widths shall be required by the Garfield County Subdivision Ordinance, except as may be modified by an approved Planned Unit Development plan.
11. In addition to the above provisions, all Mobile Home Subdivisions shall comply with the applicable requirements and provisions set forth in the Garfield County Subdivision Ordinance.
12. No mobile home subdivision in Garfield County shall be allowed in an obvious flood or geologically hazardous area.

5-5 Additional Provisions.

The construction, alteration, repair, or removal of any building or structure, or any part thereof, or any electrical power added to the property as provided or as restricted in this ordinance, shall not be commenced or proceeded with except after the issuance of a written for the same by the Building Official. If work is not started on a structure or building within one (1) year from issuance of a permit, anew permit will be required. Pursuant to the issuance of a building permit in Garfield County, the applicant shall submit to the Building Official evidence of having an approved culinary water supply and an approved method of waste disposal. Both the water supply and the method of waste disposal shall be approved in writing by the Utah State Health Department prior to the issuance of a building permit.

In addition to meeting the above requirements and conditions and conforming to the other laws, regulations and ordinances of Garfield County the following shall apply:

1. All mobile home parks, recreational coach parks, and mobile home subdivisions shall also conform to all applicable state regulations. In the event of any conflict between said codes and this Chapter, this Chapter shall take precedence where regulations contained herein are more strict, and the provisions of the Codes shall take precedence where those regulations are more strict.
2. Permits are required for mobile homes to be placed in mobile home subdivisions, or to be placed on a permanent foundation and must first meet County and State approved codes.
3. All mobile homes will be tied down with approved tie - downs and will be inspected by the Building Official.

Chapter 9. COMPLIANCE WITH OTHER REGULATIONS

Any mobile home or recreational coach located in any permitted area shall comply with and conform to all other zoning laws, rules, regulations, and building, plumbing, electrical, fire prevention, and all other codes and requirements applicable to the zone in which said mobile structure or building erected within home or recreational coach is located.

Chapter 10. PENALTY

The violation of any part of this Ordinance shall constitute an offense and shall be punishable as provided in the local ordinances, for misdemeanors. In addition, Garfield County may enjoin by civil action the violation hereof and may remove any mobile home from a location violating the provisions hereof and assess the expenses thereof as a cost of action

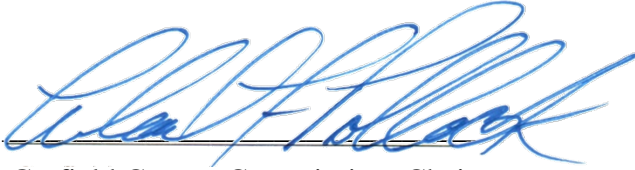

Chapter 11. SEVERABILITY CLAUSE

It is hereby declared to be Garfield County's Legislative intent that the provisions of this Ordinance shall be severable in accordance with the provisions set forth below:

1. If any provision or provisions of this Ordinance are declared to be invalid by a decision of any court of competent jurisdiction, it is hereby declared to be the legislative intent that:
 - a. The effect of such decisions shall be limited to that provision or provisions which are expressly stated in the decision to be invalid and,
 - b. Such decisions shall not affect, impair, or nullify this Ordinance as a whole or any part thereof, but the rest of this Ordinance shall continue in full force and effect.
